U.S. Department of Commerce
Office of Technical Services
Washington 25, D.C.

ATTN: Miss Lillian Hemrick

Dear Sirs:

Attached is a copy of the translation of an article in Mikrobiologiya, Vol. XXV, No. 5, 1956, pp 566-568 which has been requested by Dr. George H. Scheer, Associate Professor of the College of Medicine, University of Illinois.

We have advised Dr. Scheer that we have forwarded his request to you inasmuch as OTS is now servicing requests for translations of this type.
